Customer Reviews

I agree with previous posts that these book will entertain 2-4 year olds for at least 30 minutes, sometimes longer, making these books great for airplanes, hotel rooms, waiting rooms, etc, but we had several titles and this was our least favorite. The hidden images are a bit too easy to find and the themes are repetitive (compared to other versions). We really liked Thomas and Cars and would definitely purchase more Look and Find books to try in the future. We donated this one to a friends coffee shop kids corner.

VERY GOOD BOOK FOR CHILDREN. EXCELLENT QUALITY. THE PICTURES ARE A GREAT SIZE, UNLIKE SO MANY OF THESE BOOKS THAT HAVE LITTLE TINY PICTURES. EDUCATIONAL VALUE IS EXCELLENT. I HIGHLY RECOMMEND THIS ONE.

I bought the book for my Grandson who is three and doesn't yet talk. He picks up the book and carefully examines it.
