Customer Reviews

Eww, not to my liking to write a bland/flat review. I've been interested in the Faerie Kingdom for a very long time liking particularly one faerie artist (Amy Brown) but thought to try another artist. Sorry, I returned this one. Suggesting art for another is not an easy thing to do. We have our own preferences.

Maggie's Kitchen Tails - Dog Treat Recipes and Puppy Tales to Lovel buy this calendar for gifts to special friends each year for Christmas and it is loved over any calendar out there. Each page is another grand display for their room and I am so happy to find a gift enjoyed this much.

I get this calendar every year and I am continually excited by it! I can only hope there are plans for this calendar for years to come.

One of my favorite calendars. The art work is fantastic.

This calendar is truly beautiful in person, even nicer than the pictures show. I'd highly recommend it. Great quality to bring joy year round!

I buy Linda Ravenscroft's fairy calender every year. I love the winsome names she gives her fairies and I love that the artist is self-taught.

Love it! It is gorgeous -Faeries are spectacular - well drawn and detailed. I will definitely be looking into the 2017 faeries calendar.

The exceptional artistry in these photos cannot be described. I cannot bring myself to throw one away at the end of the year.
