## Customer Reviews

Pretty good calendar but the girls cannot compare with those of the Playboy Calendars. The photography seems to be only above average. This is given the grade of a B.A. Nathaniel Wallace, Jr.

It is a calendar, and it has photos of SI swimsuit models. If you think this will be a problem, then don't buy it. If you buy it, don't hang it on your cubicle wall at work. With that in mind, this is a worthwhile purchase (it's a functional calendar, complimented by photos of beautiful models).

A gift for boyfriend. I have my own revenge by writing silly girl sayings on post-it notes! I don't like the inset photos of the models on the calendar pages. I would like to see them portrayed less vampy and more classy.

For my 21 year old son. He loves it. Imagine that.

Way better photos than the 2014

I get a wall calendar every year and this one is as amazing as the rest. Kate Upton is in it so that's a huge plus haha.

I got nothing bad to say about shipment, satisfied. The calender itself? The models look good and the photos used are great.

Bought this Calendar for a great price. Photos look great and it is hanging in back shop production area. Shipped quickly.
