Brain Quest America

Synopsis

Brain Quest just keeps getting smarter! Brain Quest America has been thoroughly updated with fresh and appealing designs for the cards and revised content that™s hundreds of brand-new questions. Drawn from first-through sixth-grade curricula, the material aligns with state and national standards and is vetted by an award-winning teacher. Delving into notable events and famous people, literature, laws, inventions, and more, Brain Quest America presents 850 questions and answers all about the U.S.A. Test your knowledge about a kite-flying scientist from Philadelphia (Ben Franklin) and the "Land of 10,000 Lakes" (Minnesota). And which came first, the Post-it or the Band-Aid? Brain Quest proves it's not just fun to be smart—it's smart to be smart.

Customer Reviews

Similar to the other fan-decks from Brain Quest--another great time-passer for car rides and waiting rooms. We have used grade-specific ones in the past and enjoy this American themed one just as much. Nice assortment of topics and difficulty worked well for my 9 & 11 yr olds, plus a few to keep me on my toes.

Love the variety in these packs. Very fun for road trips of all lengths and just for quiz time with the

family.

My kids really enjoyed this gift. It Was easy to play and we have all learned a lot. Family fun.

The questions are a great array of topics and difficulty levels. I have been using the questions as a reward game with my students and they love it.

I enjoy the brainquest cards. I homeschool my child and we make a game of them. It helps with reading, memory and we have quizzes. Thank you.

I had bought one set of grandchildren and found that both sets of children wanted it as it seems to make long rides more fun.

Using these to teach English and citizenship to adult immigrants. It works well and the students like it
