Synopsis

50 STATES Bringing America to your fingertips, Fandex presents a field guide to the 50 states plus the District of Columbia. Which is the only state with a tropical rain forest? Which state sparked the civil rights movement? Which two states entered the Union on the same day, and which was bought from a single family for the bargain price of \$6,000? Illustrated with full-color, custom-designed maps and featuring nicknames, capitals, mottoes, emblems, anecdotes and natural treasures, it's a rich mosaic of the United States.
