Customer Reviews

Love this book. I had purchased one for my oldest daughter when she was 13 (she is now 24).

Purchased this one for my other daughter who is 7. I didnt expect it to be wrote all in. I know it said used, but didn't expect that. Could have been worse though I guess. My advice is to buy a new one. But Love this book, just a new one!!

This book is soooooo creative that it could get any child and or adult time to really think creatively and inwardly. Its an art teachers dream. A wonderfully fun book. And a great way to free up tension and mental blocks. We Love this book!!!

This book is fabulous....colorful, humorous and fun. It's a workbook to allow kids to think freely and

not hand-holding like a coloring book. Hours of fun for a child old enough to draw.
