150 Fun Things To Doodle: An Interactive Adventure In Drawing Lively Animals, Quirky Robots, And Zany Doodads

Synopsis

Anything goes in 150 Fun Things to Doodle - a comprehensive and interactive doodling experience for young artists-in-training. Featuring a wide range of popular subjects - from jungle animals, sea life, and pets to robots, tools, and even musical instruments - children will enjoy learning to draw in a new, interactive way thanks to engaging step-by-step lessons and fun creativity prompts. From doodling favorite animals and stylizing everyday objects to designing illustrative layouts and writing character storylines, aspiring artists will find loads of artistic inspiration as they work through the pages of this colorful, engaging, and interactive doodle journal. While step-by-step drawing lessons demonstrate how easy it is to render whimsical and quirky versions of traditional animals and objects, creative direction and prompts open young artists to a doodled world of their own imagination, including drawing their own galaxy and designing their own robot. Throughout the book, lots of open practice pages and doodling areas invite artists to further explore their creativity and develop their own drawing and doodling techniques. 150 Fun Things to Doodle is approachable to artists of all skill levels and is sure to foster a lifelong love for doodling and drawing. Contents include: Doodling What you See, Wild Animals, Sea Life, Creatures with Wings, Pets & Other Furry Friends, Quirky Gadgets, Science & Space Exploration, Building Tools, Stuff you Find at Home, and more!

Customer Reviews

I looked at several "drawing" books and this was very easy to follow. It peaked my interest but I did give it as a gift to a very talented 7 year old who was able to follow it.
