# Batman: The World Of The Dark Knight

## Synopsis

Cover art by Jim Lee! Who hides in the shadows, an often constant but unseen presence? Who strives to rid the city of the evil that lurks through the streets? Who is he? BATMAN. First appearing in the pages of Detective Comics in 1939, Bruce Wayne vowed to avenge his parents' murder and rid the world of evil by becoming the fearless caped crusader known as Batman. Follow every punch, kick, twist, and turn of the Dark Knight's story in Batman: The World of the Dark Knight. Tracing Batman's entire career, with full detail of his significant adventures, battles, loves, allies, and enemies, this ultimate guide will leave nothing unexplored. DK's Batman: The World of the Dark Knight includes everything from how Batman came to be created and how the character was developed through the decades to key events in Batman's life that have continued to develop his story over the years. With a new, fresh look featuring intricate full-color comic book art, Batman: The World of the Dark Knight is a comic enthusiast's dream come true! Copyright © 2012 DC Comics. All characters, their distinctive likenesses, and related elements are trademarks of and © DC Comics.

Grade Level: 1 - 4

## Customer Reviews

Created by Bob Kane as a pulp vigilante figure in the late 1930s for what is now Detective Comics, the famous caped crusader of the night, known as the Batman, is one of those characters that has been integrated within the public consciousness throughout the years; whether through the comic

books themselves or via the many incarnations of animated/live-action film and television series, video games, novels, and other such outlets. With over seventy years of publication history, Batman's comic book run provides a wealth of information for Dorling Kindersley to sift through for this two-hundred page compendium of the Dark Knight's many story arcs, his rogues' gallery, extended family and highly advanced gadgetry. As with most of DK's publications surrounding particular major franchises, 'Batman - The World of the Dark Knight' serves as a storage facility of information for the more hardened fan and the general passer-by alike, celebrating DC's brooding character of the Batman in his entire run so far, from his first appearance in Detective Comics #27 (1939) to the latest New 52 reboot of Batman (Volume 2) #1. This compendium, first published in early 2012, explores Batman's influence and storylines, starting from his war-time Golden Age adventures, retroactively placed onto the parallel world of Earth-Two, going on to look at his science-fiction themed times during the Silver Age of the 50s and 60s, and continuing into the Bronze, Dark and Modern Ages that explore a darker character taken back to his pulp-fiction roots.
