Coloring Calendar 2016: Butterflies (Coloring Calendars)

Synopsis

A Calendar You Color Yourself! See the full calendar at www.gumdroppress.com/coloringcalendar.html Now you can be your own calendar artist with this fun, coloring book-style 2016 calendar from Anna Winky. Relax and get creative as you flit through time with the carefree flocks of butterflies featured in these twelve monthly 11 x 17" spreads. Even the title page and the names of the days, months, and year await the magic touch of your colored pencils, markers, crayons, or gel pens. Printed on a single side of the page to prevent ink bleed-through. Monthly grid calendars indicate U. S. national holidays. Ample space is provided each day for noting birthdays, anniversaries, and other occasions and appointments. Suitable for adults and children alike. Includes 3 bonus coloring pages from Winky's Colorful Christmas, Colorful Chanukah, and Colorful Florals.

Customer Reviews

I gave these as Christmas presents and everyone is enjoying them. My Kids growing up always enjoyed the quiet time of coloring and their children enjoy it also. Two of my grand daughter who are sisters received this calendar from me. Its interesting to see the difference in the colors they choose for the same picture. These make excellent presents for all ages and genders.

Pictures look fun. What was unusual about this book is on one page is the pictures that you color and beside that is the monthly calendar. To me it looks odd because in order to use it as a calendar you need to turn it sideways. It's cute but not very functional.

My husband gave this to me for Christmas, I enjoyed it and would get another. I didn't understand the snowflakes for the month of November however, I would have thought a Thanksgiving something along with the butterflies.

I got this calendar for my daughter (age 5) and the pictures are a little complex for her but they are very pretty. The only complaint is there is no hole in the calendar to hang it. But we plan to remove the picture each month and tape to her wall so that is not a big problem.

This calendar is fun to color in the months. I just wish it were a tad bit larger

This item showed up when I searched " wall calendars." But it is really a book. You cannot hang it on the wall. The pictures are a little boring. Overall, not the best purchase.

Loved the concept, but when coloring with markers the paper is very thin. They did compensate by installing an additional blank page between months.

Not only was this relaxing to color but functional too! I need more things like this to color AND to be useful.
