(Best friend book) â œltâ ™s an - illustrated children picture bookâ • for Early reading And educational childrenâ ™s bookâ ™s - teach kids basic skills :\* values\*helping others \*good deeds ( One of the best Kids books age 3 to 6) Here Is A Preview Of What You'll Discover... About Nurses Inside.. Being a nurse is a very important job they do, absolutely amazing things to help kids, grownups and babies get better when they are hurt or sick nurses can help doctors with surgeries. Or they can help take your blood pressure and blood samples were hoped to take your x-rays and even give you medicine or help to fix broken bones, such as arms or fingers. Nurses can work everywhere from hospitals to cruise ships to summer camp. There are even nurses that specialize in taking care of older people like your grandma and grandpa. They may even stay with them in their house to make sure that they always bear to provide any help that is needed. Nurses provide very important assistance to anyone that is sick or hurt without them, doctors could not do their job. The Kurious kid is going to take you on an adventure to a hospital screw ships and summer camps to show you all the awesomely wonderful things that nurses do to help feel better. You will see a nurse help babies after they are born to make sure that they are warm and safe. You will hear about nurses assisting with important surgeries to say someone's life. You will need nurses that help elderly people (grandma and grandpa), and even nurses that help people with disabilities. Aside from the excellent information this 40 page book also contains excellent full-color photos of nurses at work, doing various things so that the young leader will be able to get a visual representation of the things they are reading about the pages of this book are also chalked full of excellent and intriguing trivia questions that the young reader can use to quit his friends and family and test their own knowledge about what they have read. The book is broken down into chapters to make information on specific jobs that nurses do easier to find. So if you have a nurse in the family, and you want to teach a young reader more about what they do, or you have a young reader, who wants to learn more about helping people. Or you just want to expand horizons and teach them about some of the more unique and interesting jobs that will be available to them when they get older. Why not give the Kurious kid to try? All of the books in the Kurious kid educational series are designed with the young reader in mind. They are

written in easy to understand language so that the young reader will more easily be able to retain the information for a longer period of time. The pictures are engaging in vibrant, to provide a visual aid, and correlate the words they are reading to something they can see. So that they can better process the vocabulary and words they are reading. You will never be disappointed in the curious kid he will be a trusted companion on many educational adventures for years to come.

## Customer Reviews

it bothers me that nurses are always referred to as a "she" in this book.
