First Guitar Tutor

Synopsis

Here's the book for every kid who ever dreamed of growing up to play like Keith Richards, Jimmy Page, the Edge, or Jack White. First Guitar Tutor helps make budding rock stars' dreams come true by introducing them to the hottest, most important instrument in contemporary popular music. It takes a fun, easy approach that's just right for young beginners, showing them how to read written music and play master chords. Illustrated hand and finger positions guide novices, and exercises hone their musical skills. Plus, "plucky plectrums" (guitar pick-shaped tips)--offer helpful and entertaining hints throughout.
