Who Was Winston Churchill?

Synopsis

Born into aristocracy, Churchill cut his teeth as a young army officer in British India, the Sudan, and the Second Boer War. He rose in the ranks to First Lord of the Admiralty and was a staunch opponent of the encroaching German Nazis. Churchill served as Prime Minister of the United Kingdom from 1940 to 1945 and again from 1951 to 1955. Widely regarded as one of the greatest wartime leaders of the 20th century, Churchill was also a historian, a writer, and an artist. He is the only British Prime Minister to have won the Nobel Prize in Literature, and was the first person to be made an honorary citizen of the United States.

Customer Reviews

Love these books. My son, who is 9 has been reading them for a little over a year now and this book is wonderful. I must say that this one is not one of his favorites. He is a history junky, lol. He so far seems to love the Jackie Robinson, Teddy Roosevelt, Abraham Lincoln, Robert E Lee, What is the world series the best as a 8 and 9 year old. I also read these to him in the evenings and I really enjoy them as a 40 year old father. I have learned so much from them as well. Sometimes I read them before or after my son in order to have an educated discussion with him about the subject of the book. I really also get alot out of them as well.

Our 9 year-old grandson, for whom I bought the book, told me to give it 5 stars!

Easy book to read and well written for my 10 year old son.

An excellent bio of a fantastic, extraordinary man!!!

this book is amazing the words he said were popular

I love the "Who was?is" collection. This book, just like the others, is pretty detailed for our kids. We really enjoyed reading and learning together.
