## Customer Reviews

I'm a big fan of the Great Adventure Bible Timeline series by Jeff Cavins, and the cards created by his daughter are also great! I bought them to use in my homeschooling endeavors, and I'm learning along with my son ... while having fun. Great product!

Beautiful pictures and an excellent way for kids to learn Salvation History! True Catholic teaching. Fun for children from 4 years old and up to us adult "children"

I bought this as a prize for my CCD class and the child that won it brought it in for the other kids to play. They all loved it, and they retained what they learned through this card game. I have a first grade class, but I also played it with my daughter who is 12 and she really liked it too. Sometimes the children get bored and using things like this really help to break up the routine!
