Customer Reviews

My daughter loves these books. She is 9 and this book provided her with tons of activities and fun creative ways to color. I absolutely think it is a great value, especially if you have a road trip in the future!

This was a gift for a 9-year-old girl. She loves it and completely enjoys the book and loves learning to draw and try new crafts. Makes a great gift for a creative girl.

This was a gift. My niece was happy with it. It was a smaller / thinner book than I expected but I hadn't researched it.
