Customer Reviews

My husband and I have depended on one of these for over 60 years and look forward to it each year! the photographs are stunning and the space to write one's daily appointments is generous. Our beloved Arizona!

My wife and I were raised in Tucson, but no longer live there after years in the military and our civilian job. We've gotten an Arizona Highways calendar almost every year since we've been married to remind us the beauty in the state of Arizona. Besides that, it's also a very functional wall calendar that still has place for managing appointments and events, even in this age of smartphones and computers.

I've been using this calendar for decades as our "communication central" so both of us can keep track of what we are doing. Love the pictures, but REALLY love the fact that there is sufficient space in each date for us to write down our various appointments!

This calendar is great for writing in daily events, and it's spiral binding makes it easy to move from one month to the next, especially if this is used sitting on your desk and not hanging on the wall. I also like how it has the January month of the following year.

This is always a very well printed and beautifully put together calendar. I have been buying it for years and I always enjoy their gorgeous photos.

Arizona Highways has done it again. A spectacular calendar showing off the landscapes of Arizona.

We love these picturesque calendars and getting them from every year is a blessing!

Outstanding photography of a very beautiful state
