Learn To Draw Angry Birds Space: Learn To Draw All Your Favorite Angry Birds And Those Bad Piggies-in Space! (Licensed Learn To Draw)

Synopsis

The ever-growing popularity of the Angry Birds video game has sparked a worldwide phenomenon. What started as a fun, quirky game in 2009 has since evolved into a full-fledged movement with a huge online presence and fan base that includes hundreds of millions of children, teens, and adults. Now, with Learn to Draw Angry Birds Space, fans of the growing franchise will learn to draw all of the Angry Birds Space characters in their supercharged versions from the Space edition of the game—“including new names, outfits, and special features. Young aspiring artists will be introduced to Super Red Bird, Lavender Lazer Bird, Ice Bomb Bird, Firebomb Bird, Monster Bird, and the Lightning Birds; they will also learn how to draw a frozen version of Fat Pig, Moustache Pig inside of a bubble, King Pig wearing a tin foil hat, and Major Pig sporting an antenna. Just like Learn to Draw Angry Birds, each lesson features easy-to-follow, step-by-step instructions. Each drawing lesson in Learn to Draw Angry Birds Space begins with a basic shape, such as a circle or an oval, with each step building upon the previous and progressing to a finished final color artwork. New steps are shown in blue so young artists know exactly what to draw next. Brief character profiles introduce readers to the Space versions of their favorite birds and pigs, while a size chart helps aspiring artists capture accurate proportions.

Customer Reviews

I bought this for my Angry Birds loving daughter, who is 7 and loves to draw. She was able to follow the directions and draw the birds and pigs in the book with little problem.

We love drawing angry birds! We've made up our own stories and made little books with pictures.

Great!
